

CONFLICT MINERALS POLICY

September 1, 2013

Leese & Co., Inc. is committed to complying with all national and international law, rules and regulations regarding Human rights. Leese & Co., Inc. does not source minerals directly from smelters or mines. There are multiple layers of suppliers between Leese & Co., Inc. and the smelters or mines from which metals are sourced. We require our suppliers to perform due diligence to validate the source of materials used in or on our products be from smelters who are compliance with Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Leese & Co., Inc. confirms that, to the best of our knowledge, none of the parts we produce contain conflict materials originating in the Democratic Republic of the Congo or adjoining countries.
